Dear Mr. Zarey -

Sorry for the delay in answering your questions - Spring is a very busy time here, & we are far behind in our correspondence.

First, your order for TRIDENT/RMBK is here - we are holding your check until TRIDENT comes back from the printer. It will probably be another month or two, but we are moving along as quickly as possible.

As to the questions you sent us -

1) Rank structure in the Seven Worlds was similar to that in the Imperium, & in modern militaries. A rough breakdown is as follows:

7 WORLDS	IMPERIUM
SQUAD of 3, led by a CORPORAL or SGT	SQUAD of 10, led by a SGT
PLATOON of 10, " " Lieutenant	PLATOON of 34, " " LT.
COMPANY of 34, led by a CAPTAIN	COMPANY of 130, " " Captain
CENTURY of 130, led by a CENTURION	BATTALION of 450, " " Major
LEGION of 1000, led by a COLONEL	REGIMENT of 1500, " " Colonel

"SWORD" is an appellation applied to members of the 7 Sword, as mentioned in Operation Seven Swords.

2) We'll be adding pictures of the remaining aliens as we go along

3) As of 2349, there are no known Dragonoids on Rhend. That doesn't mean that there aren't any there, however. Don't be so nosy.
